FEATURES
- 16 Slots
- 19" Rackmountable
- LED Indication for Primary and Backup Power Supply
- Power Supply Load Sharing Design
- Plug-and-Play Operation
- 2 Year Warranty

Fibre to Fast Ethernet Converters

FEATURES
- 10/100TX to 100FX
- Complies with IEEE802.3 and IEEE802.3u Standards
- External Power Supply
- Extended Fibre Optic Distance from 2 to 100Km
- Metal Case
- Plug-and-Play Operation
- 2 Year Warranty

Gigabit Ethernet Converter

Gigabit SC Fibre to Gigabit UTP

SPECIFICATIONS
- Standards: IEEE 802.3z 1000Base-SX & IEEE 802.3ab 1000Base-T
- Interface: 1000Base-T: 1xRJ45 Interface, 1000Base-SX: 1xSC Interface
- Data Transfer Rate: 2000Mbps Full duplex
- Diagnostic LEDs: Power, FDX, TP Link, Fiber Link, Act
- Dimensions: 71W x 79Dx 26H (mm)
- Power: DC5V, 1.6A
- Weight: 400g
- 2 Year Warranty

FEATURES
- MIDI-MDIX Auto-crossover supported
- Plug-and-Play installation
