aquaBox, a universal Bluetooth® 3.0 water resistant speaker built for adventure. Its IPX5 level water resistance ensures the speaker is safe from splashes whether on a boat, by the pool or in a tub. The easy to use controls on the side of the device lets you control your music or answer calls at the press of a button. Its Bluetooth® 3.0 feature allows you to sync with any Bluetooth® enabled device such as an iPad, iPhone, iPod, Android devices etc. from up to 33 feet. The powerful 800mAh rechargeable battery lets you listen to your favorite tunes uninterrupted for 4 hours. aquaBox, a product built for adventure enthusiasts.
