Enjoy the power of wireless connectivity coupled with pristine sound quality with **Aria**, an ultra-mini wireless multipoint pairing headset. Designed for people that spend a lot of time behind the wheel, the headset allows drivers keep their hands on the wheel for quicker reaction time, the car charger keeps the headset up and running always when on the road. Simply push and plug out the headset from the charging cradle to attend to an incoming call and push it back into the charging cradle to disconnect the call. Apart from that, the car charging cradle also comes equipped with an additional **2A universal charging port** to charge your mobile or small tablet devices. **Aria**, your indispensable companion on the road.
