- Video System
  - Input: 4ch BNC
  - Output: Composite Video And VGA

- Audio System
  - Input: 1ch RCA
  - Output: 1ch RCA

- Sensor System
  - Input: 4ch Alarm Input
  - Output: 1ch Relay Output

- Storage System
  - Device: 2 SATA Hard Disks (7,200rpm, 45mb/s Dma, Max. 1TB)

- Display System
  - Division: 1.4, 1.4, 1.4, 1.4, 1.4
  - Osd: Graphic Osd

- Recording System
  - Resolution: 720x480, 720x240, 360x240 (NTSC)
  - framerate: 60, 120, 120fps

- Control System
  - Motion Detection: User Selectable Motion Detection Area For Each Camera Individually
  - Sensitivity: 5 Levels

- Backup System
  - File: H.264 Compression And AVI Format (Converted By Client Viewer)

- Network System
  - Interface: 16ch Client Viewer, Web Browser
  - Service: TCP/IP, SMTP, HTTP, DHCP, DDNS

- System Log System
  - Log Numbers: 20,000 Records

- Power Source
  - DC 12V 6.67a
