SCREEN FILTERS

Screen Filters reduce glare, reflection, radiation and static from all computer monitors.

MODEL CODE     SIZE
IE-1415         14”-15”
IE-1718         17”-18”
IE-1921         19”-21”

FEATURES

• Proprietary hanger design allows the frame to be lifted 90 degrees for easy cleaning of the glass
• Extraordinary big-sized hangers seat the filter firmly on top of the monitor
• Anti-reflection with multi-layer AR coating to reduce reflection
• Anti-radiation and Anti-static with ITO conductive coating to reduce static electricity and VLF radiation
• Anti-Glare with transmittance coating
