Experience a remarkable musical fiesta with Impact. Connect Impact to your devices wirelessly and through traditional wires. Impact includes all the must-have specs needed for an excellent pair of headphones. Impact is embedded with passive noise cancellation technology along with advanced protein leather ear cushion to provide optimum comfort. Its classic, simple metal and leather design will never fail to make a style statement wherever you go. With music play time of up to 14hrs, take Impact practically everywhere (including long flights) and listen to non-stop music. Impact also supports in-line music function and built-in mic function, thus, pick up calls whilst listening to music. This power packed wireless headset is the ultimate set for all music fanatics.
