**MagMount** is a high-quality magnetic cell phone car mount whose universal design will allow it to hold any and all smartphones securely and keep it conveniently and comfortably within reach. Made from high-quality plastic with its strong suction cup, it is easy to install and remove and won’t leave any nasty residue on your windshield. The flexible gooseneck and 360-degree swivel head, lets you tilt the mount to fit your optimum viewing angle. MagMount is truly the best companion on your road trips.

### Compatibility
