This unique product is a combination of three of the best featured products; a selfie stick, wireless camera shutter control and an external adjustable holder. Click selfies at your convenience with this amazing product. Now, forget about all those painstaking experiences of taking your own portraits or pleading others to click a portrait of yours. Take amazing and breathtaking shots, be it on the tallest tower or by the pool. Make monoPro-uni your best travel companion and share your fascinating journey while you experience one.
