<td>Outdoor Megapixel Night-Vision</td>
</tr>
</tbody>
</table>

### FEATURES
- Excellent image quality with 30fps full-motion video in VGA and 15fps video in 1.3MP resolution
- 1.3 Progressive-Scan Megapixel CMOS image sensor
- Supports image resolutions up to 1280 x 1024 (1.3 Megapixel) or 1280 x 720 (720p)
- IR corrected DC-controlled auto-iris megapixel vari-focal lens
- Integrated motion detection with pre- and post-alarm image/video buffering
- Event-triggered FTP and e-mail upload of still images and videos
- Supports multiple simultaneous H.264, MPEG4, Motion-JPEG and 3GPP video streams
- Supports low light or night conditions, minimum 0 lux (complete darkness)
- Mobile phone streaming live video through 3GPP/ISMA/RTSP
- Supports privacy zone and text overlay functionality
- Supports UPnP with UPnP port forwarding capability
- Integrated e-mail, FTP, DDNS and DHCP client
- Supports IEEE 802.3af PoE injectors, mid- and endspans
- Easy-to-use 16-channel camera viewing and recording utility included
- Vandal proof IP66 rated weather resistant housing
- 3 Year Warranty
