## PRINT SERVER

### NETWORK HARDWARE

**Network Hardware**

**PRINT SERVER**

### Single Port Print Server

<table>
<thead>
<tr>
<th>MODEL CODE</th>
<th>TYPE</th>
</tr>
</thead>
<tbody>
<tr>
<td>PS-1206P</td>
<td>1x Parallel Port</td>
</tr>
<tr>
<td>PS-1206U</td>
<td>1x USB Port</td>
</tr>
</tbody>
</table>

**FEATURES**

- **Provides** 10/100Mbps auto-sensing port that complies with IEEE 802.3 and 802.3u Wired Ethernet standards.
- **Provides** one USB 2.0 (PS-1206U) or parallel port (PS-1206P) to connect to printer.
- **Supports** LPR, IPP, SMB/TCP, Raw Printing and Unix Logical printing protocols.
- **Supports** Peer-to-Peer Printing (TCP/IP/IPP/NetBEUI/AppleTalk).
- **Supports** Server-based printing (Novell NetWare and Windows).
- **Compatible** with all major operating systems (Windows 95/98/Me/NT/2000/XP/Vista/NetWare 3.x above)/Unix/Linux.
- **Supports** DHCP Server and Client protocol.
- **Supports** Web-based management, Windows Configuration Utility and SNMP Protocol.

### USB Multi-Function Print Server

<table>
<thead>
<tr>
<th>MODEL CODE</th>
<th>TYPE</th>
</tr>
</thead>
<tbody>
<tr>
<td>PS-1206MF</td>
<td>1x USB Port</td>
</tr>
<tr>
<td>PS-3207U</td>
<td>2x USB, 1x Parallel 802.11g</td>
</tr>
</tbody>
</table>

**FEATURES**

- **Provides** one USB 2.0 port to connect to MFP or printer.
- **Share** printer with USB port to all PCs through Wired or Wireless Network.
- **Supports** TCP/IP, IPX/SPX, NetBEUI and Unix Logical printing protocols.
- **Supports** LPR, IPP, SMB/TCP, Raw Printing and Unix Logical printing protocols.
- **Supports** Peer-to-Peer Printing (TCP/IP/IPP/NetBEUI/AppleTalk).
- **Supports** Server-based printing (Novell NetWare and Windows).
- **Compatible** with all major operating systems (Windows 95/98/Me/NT/2000/XP/Vista/NetWare 3.x above)/Unix/Linux.
- **Supports** DHCP Server and Client protocol.
- **Supports** Web-based management, Windows Configuration Utility and SNMP Protocol.

### 3 Port Parallel Print Server

<table>
<thead>
<tr>
<th>MODEL CODE</th>
<th>TYPE</th>
</tr>
</thead>
<tbody>
<tr>
<td>PS-3103P</td>
<td>3x Parallel Ports</td>
</tr>
<tr>
<td>PS-3207U</td>
<td>2x USB, 1x Parallel</td>
</tr>
</tbody>
</table>

**FEATURES**

- **Provides** 10/100Mbps auto-sensing port that complies with IEEE 802.3 and 802.3u standards.
- **Provides** three Printer Ports.
- **Supports** TCP/IP/IPP/SPX, NetBEUI network protocols.
- **Supports** LPR, Email Printing, Raw Printing, Unix Logical Printer.
- **Supports** Peer-to-Peer Printing (TCP/IP/IPP/NetBEUI).
- **Supports** Server-based printing (Novell NetWare and Windows).
- **Compatible** with all major operating systems (Windows 95/98/Me/NT/2000/XP/Vista/NetWare 3.x above)/Unix/Linux.
- **Supports** DHCP Server and Client protocol.
- **Supports** Web-based management, Windows Configuration Utility.

### USB/Parallel Wireless Print Server

<table>
<thead>
<tr>
<th>MODEL CODE</th>
<th>TYPE</th>
</tr>
</thead>
<tbody>
<tr>
<td>PS-1206LWG</td>
<td>1x USB, Wireless 802.11g</td>
</tr>
<tr>
<td>PS-3207UWG</td>
<td>2x USB, 1x Parallel 802.11g</td>
</tr>
</tbody>
</table>

**FEATURES**

- **Provides** 10/100Mbps auto-sensing port that complies with IEEE 802.3 and 802.3u standards.
- **Supports** TCP/IP, IPX/SPX, AppleTalk network protocols.
- **Supports** LPR, IPP, Raw Printing, Peer-to-Peer Printing (TCP/IP).
- **Supports** Server-based printing (Novell NetWare and Windows).
- **Compatible** with all major operating systems (Windows 95/98/Me/NT/2000/XP/Vista/NetWare 3.x above)/Unix/Linux.
- **Supports** bi-directional capability.
- **Supports** DHCP (both client and server) protocol.
- **Efficient** print job transfer using DMA (Direct Memory Access).
- **Supports** Web-based management, Windows Configuration Utility.
