proShield.iP6-C is a clear screen protector that gives your iPhone 6 long-term premium screen protection against dust, marks, smudges and scratches. The screen finish allows superior touch-screen sensitivity and anti-glare features. Complete with cleaning cloth and installation card, the proShield.iP6-C is simple to attach and easily removable, leaving no residue behind and without interfering with touch screen responsiveness.

Application instructions:

1. Clean your iPhone 6 screen from dust, smudges using the cleaning cloth.
2. Pull the red tab marked “Back” and separate the protective film off the guard.
3. Gently apply the film to the screen starting from bottom to align the edges and work your way up the screen.
4. Gently scrape the installation card to squeeze out the bubbles.
5. When finished applying pull the black tab marked “Front” off.
