

M SERIES 19" WALL MOUNT CABINETS

DESCRIPTION

Our DYNAMIX M series wall mount network server cabinets are an ideal solution to protect sensitive electronic security, audio visual and networking equipment. A tempered tinted glass front door ensures easy viewing and monitoring of equipment readouts. The DYNAMIX wall mount cabinets come fully assembled and supplied complete including pre-installed dual fan kit, cage nuts, locking system, removable side panels and 1x fixed shelf. The cabinets are available in 4 sizes (6, 9, 12, and 18RU). Note M series cabinets have no hinged back mount or rear cable entry, if these features are required please refer to our D series cabinets.
