siMate-2, a premium sim-card holder made of the finest materials for storage and protection of your sim-cards on the go. The holder carries up to 4 sim-cards and is innovatively created to store any kind of sim-card, be it a regular sim-card, a micro sim-card or a nano sim-card. We have also included a SIM card ejector tool. Bundled with 3 compact sim-card adaptors which converts a sim-card into multiple sizes compatible with all mobile devices. This sim card converter converts a micro sim-card to a regular sim-card, a nano sim-card to a micro sim-card. Also includes Micro-SD card reader and Sim-Card removal tool. On-the go portability with siMate-2.
