Having difficulty finding the perfect angle for that awesome selfie you have in mind? Let’s face it, shaking hands and too much unnecessary motion can cause a great photo to become blurry and un-shareable. Get rid of the hassle of blurry photos with this mobile phone and digital camera retractable monopod! With an extendable rod and easy-to-attach base, this monopod is what you need the next time you take that selfie or group picture while on holiday or even during event gatherings. Now you can all say “cheese” and not have to leave anyone out of the picture or setting the camera on timer mode.
