TurboHub, a 60W ultra-fast charging power station with 6 USB ports that allows you to charge up to 4 devices simultaneously. The built in Qualcomm 3.0 USB Charging port ensures compatible devices are charged 80% faster than conventional chargers. It also features built in over current and short-circuit protection. It is one ideal product for all those who multi-task and never want to run out of power on their devices. TurboHub, suitable for both home and office, is an ideal solution to charge your devices easily and simultaneously.
